

[Here is an Easy Way to Help Kingdom Academy](#)

Kingdom Academy has enrollment into the **Kroger Community Rewards Program**. This program allows shoppers to register their **Kroger Plus Card** to Kingdom Academy. Once that is done all purchases using the **Kroger Plus Card** will apply toward credits for Kingdom Academy. The school will receive a rewards check from Kroger four times a year. The amount of the reward is determined by the purchases registered to the school's account.

Registering Kingdom Academy to your Kroger Plus card will not change how the card works. Your benefits for using the card will not change. This will simply allow the school to get credit for your purchases.

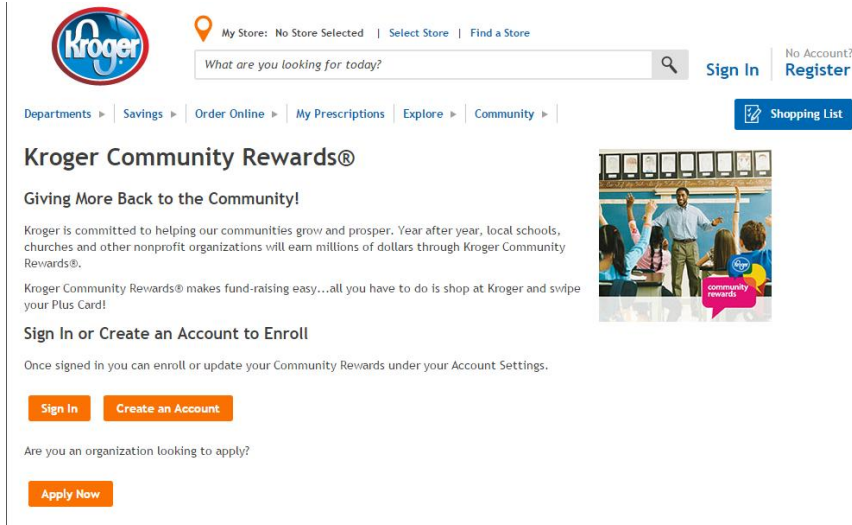

This only applies to purchases made at the Kroger in Bluffton.

TO USE THE KROGER REWARDS PROGRAM:

- Register online at krogercommunityrewards.com
- Be sure to have your Kroger Plus card handy. If you do not have a Kroger Plus card, they are available at the customer service desk at any Kroger.
- Click on Sign In/Register and follow the instructions below.
- To verify you are enrolled correctly, you will see your organization's name on the right side of your information page.

To the right of the search bar are "Sign In" and "Register" buttons, with "No Account?" text above the "Register" button. A navigation menu below the search bar includes "Departments", "Savings", "Order Online", "My Prescriptions", "Explore", and "Community". A "Shopping List" button is also visible. The main heading is "Kroger Community Rewards®". Below this is the sub-heading "Giving More Back to the Community!". The text explains that Kroger is committed to helping communities grow and prosper, and that local schools, churches, and other nonprofits can earn millions of dollars through the program. It also states that the program makes fund-raising easy by allowing users to shop at Kroger and swipe their Plus Card. Below this text are two buttons: "Sign In" and "Create an Account". At the bottom, there is a question "Are you an organization looking to apply?" with an "Apply Now" button.
