4.2 School Absences (from Kingdom Academy Handbook)

- 4.2.1 Student absences should be limited as much as possible.
- 4.2.2 If parents wish to have their child/children absent from school, they must inform and have permission from each of the student's teachers. Teachers should be contacted as soon as the absence is planned.
- 4.2.3 School work normally due during a planned absence should be scheduled with the teacher in advance.
- 4.2.4 If there is an unplanned absence, parents need to either call the school (260-824-5590) between 7:30 and 8:00 a.m. on the day of the absence, contact the teacher in person, send a note or email kaofbluffton@gmail.com
- 4.2.5 If a student needs to leave the school during school hours, parents should contact a teacher. Complete an Unexcused Absence form when applicable (found on www.kingdomacademy.us under Documents)
- 4.2.6 Students absent more than 3 hours will be considered absent for the day. If a student is not present when the day starts or class begins he/she will be considered tardy. Five tardies will result in one unexcused absence.
- 4.2.7 An excused absence includes illness, necessary medical appointments (medical appointments should be scheduled to avoid conflict with school hours) funerals, family emergencies or other absences with administrative approval. All excused absences require notification from the parents. All other absences will be considered unexcused. Parents (guardians) will be contacted if an absence is considered unexcused.
- 4.2.8 Make-up work is required for absences. Make-up work must be returned by the number of days absent plus one.
- 4.2.9 Students are allowed 3 unexcused absences per semester. After 3 days, 1% per subject per day will be subtracted from their semester grade. The administrator may, at his/her discretion, allow up to two additional unexcused days without a grade deduction.

We understand the handbook rules and any concerns from teachers/administrator as stated above:
